COACHING CLINIC SUBSIDY

Current coaches of the Bonivital Soccer Club ("BVSC") working as a Coach or Assistant Coach with a PR1, PR2 or DL program are eligible to use this subsidy. This subsidy can be used towards the following Manitoba Soccer Association ("MSA") clinics: Active Start (\$15), FUNdamentals (\$30), Learn to Train (\$75), Active for Life (\$100), Pre-B License Course (\$45), and the Provincial B License Course (\$305). National program clinic applicants must contact the General Manager directly for prospective subsidy.

Please complete this form and have a BVSC designate (listed below) sign the form. Once completed, please submit this form to the MSA along with your registration for the clinic.

Your use of this form, and your signature below, represents your understanding that this subsidy is only provided upon successful completion of the course. If you do not complete the course successfully, or fail to attend the course, you may be required to personally repay the course fees (paid on your behalf) to BVSC. Furthermore, if you cease to be a "current" coach, you may also be required to personally repay the course fees paid on your behalf by BVSC.

Please note that recreational coaches must contact their community centre for reimbursement. Not all community centres reimburse coaches for the MSA clinics.

Please reference the MSA website (www.manitobasoccer.ca) for clinic dates and details on upcoming soccer coaches weeks.
